

Volunteer Team Bingo

Like each of these squares, the ministry year is filled with opportunities to grow your team. Complete this fun challenge together!

Instructions:

1. Download and print out a card of team-building goals or fill in your own using the blank chart.
(Hint: display it where your team meets.)
2. Mark each square, using stamps, stickers or highlighters, as you complete the goal inside.
3. Be sure to recognize completing each goal to keep your volunteers motivated! Here are a few ideas:
 - When you fill a square – make an announcement during your team meeting. Applaud volunteers and include the praise in your team prayer.
 - When you fill a row or column – give out a small prize or card to each volunteer on your team along with a personal thank you for their effort.
 - When you fill the entire card – have a team pizza party or outing. Remind your volunteers that by striving for excellence in Awana this year, they are impacting children and youth for eternity.

Enjoy watching your team grow!

Share your progress with us. Send your team stories to youbelong@awana.org.
